# Stay Safe Online – Prevention Checklist

This checklist provides important safety tips for college students in India to protect themselves from cyber threats.

## ✅ Prevention Tips

1. Use strong and unique passwords for all your accounts and change them regularly.

2. Enable two-factor authentication (2FA) on important apps like email, banking, and social media.

3. Do not click on suspicious links or download files from unknown sources.

4. Avoid using public Wi-Fi for sensitive activities like banking or logging into important accounts.

5. Keep your devices and apps updated to protect against security vulnerabilities.

6. Never share personal information such as OTPs, passwords, or bank details with anyone.

7. Be cautious of unknown calls or messages claiming to be from banks or customer support.

## 💰 UPI / Financial Safety Tips

8. Never share your UPI PIN or OTP with anyone under any circumstances.

9. Do not scan unknown QR codes or approve payment requests without verifying the sender.

# 🚨 Reporting Cybercrime

If you become a victim of cybercrime, report it immediately through:

- National Cyber Crime Portal: https://cybercrime.gov.in

- Helpline Number: 1930

Timely reporting can help prevent further loss and increase the chances of recovery.
